RFP # 2010-01**

**QUESTIONS & ANSWERS
POST-PRE-PROPOSAL CONFERENCE OF JUNE 2, 2010**

- Q. I would like to have a copy of what you currently have to support on your network up to and including printers, fax machines, phone systems, telco lines/PRI/T-1, servers, desktops, projectors, etc. I can personally come to your facilities and perform a no-charge audit if allowed.
- A. Section 4 of the RFP which outlines NCHD's current inventory of hardware, software and connectivity. The opportunity for on-site visits to our server room and satellite offices was on June 2, 2010.
- Q. I did not see anywhere in the RFP that stated HIPAA compliance. If I missed it, could you tell me what pages to look at? Also, I did not see a form or section of the RFP that pertained to HIPAA compliance. I am guessing since you fall under HIPAA guidelines, you are going to require HIPAA compliance.
- A. See Section as follows: Section 3.8, page 12; and, Section 4.2, page 14, R.
